

We are pleased to announce that we are now offering a Pre-K program at The Rudolf Steiner School of Ann Arbor. This has been a dream for many years to expand our Early Childhood program.

The Pre-K room will be very similar to our two Kindergarten spaces – offering a lovely and peaceful setting appropriate for the young child. We plan to start the class with a minimum of 6 students and one teacher. The class size will not exceed 12 in number and there will be an assistant if there are more than 6 children.

The children must be 4 years old by March 1st and potty-trained. The program will be 3 days a week, Monday, Tuesday and Wednesday from 8:30 a.m. to 12:15 p.m. The tuition will be \$4,212.00 per year.

If you are interested please call the school and speak with Peggy Wilson. We will send you an information packet that will include an application and more details about the new program. When you call you will be placed on the list of interested families.

There will be an interview process that will include the three Early Childhood teachers meeting with perhaps 3 families in a low key social time in a Kindergarten room.

We are very excited about this new opportunity to be able to include the younger child in our school in a nurturing environment. We look forward to hearing from you and answering any questions you might have.
