2010-2011 Parent Involvement Form

Our school relies on gifts of volunteer talent, time and energy! This year we will be putting your volunteer interests into our database in order to communicate efficiently with you. Please join us in supporting the ideals of Waldorf education by participating to the fullest extent possible.

Many of our parents:

- volunteer at events
- help teachers
- work in classrooms
- attend fundraisers
- donate annually over and above tuition to make our school viable. (Note that tuition does not fully cover the school's expenses; in fact, the shortfall is nearly \$1,000 per student).

Parents often find these activities both rewarding and enriching; they become part of our extended family and make lifelong friends.

Everyone has different demands on their time and contributions to make; we need, hope and ultimately expect whatever you can give.
