STEP 3: Enrollment Sessions

Kindergarten Enrollment Session

This one-hour playtime for a group of six to eight children is held in one of the Kindergarten rooms. This is an opportunity for our Early Childhood faculty to be with the children in a relaxed and playful setting. Your child will have a chance to play with the other children, listen to a story and be involved in a brief “Circle Time.” During this session, parents meet with the Lower School Coordinator in another Kindergarten room. This is a time for questions regarding the Kindergarten program and curriculum.

Pre-Kindergarten Enrollment Session

This session is held in the Pre-Kindergarten room with the Pre-Kindergarten teacher and the Lower School Coordinator. One hour in length, the session is attended by a maximum of three children and their parents. The children play and explore the room while parents visit with the teacher. This is an opportunity for the teacher to interact with the children while the parents share thoughts and questions with the Lower School Coordinator.

STEP 5: Follow up

After the Enrollment Session, our Lower School Coordinator will promptly contact you to discuss the decision and next steps.

STEP 6: Contract

Once you have signed and returned the Enrollment Contract, the child is officially enrolled in our program.
