

## **RSSAA Curriculum Support Committee (CSC) Mandate 2023-24 School Year**

The Curriculum Support Committee (CSC) works to ensure high quality implementation of the Waldorf curriculum in our school.

Responsibilities include:

- Maintaining the Scope and Sequence document for each level of the school and ensuring that we have one coherent document.
- Meeting with class teachers to review block plans and discuss curricular issues.
- Exploring issues that arise in faculty and committee meetings that impact delivery of a curriculum that is appropriate and healthy for students and teachers – then making recommendations to the College for any appropriate changes.
- Interfacing with administration to ensure curricular needs are met.
- Ensuring that there is an ongoing discussion regarding the question of how Waldorf Education embraces the time and place in which we live, in a continuously evolving way.
- Connecting with the Diversity, Equity and Inclusion Committees to ensure that DEI concerns with the curriculum are addressed and that new curriculum directions embrace our school commitment to DEI.

Members: Ideally, the Curriculum Support Committee will be staffed by one Early Childhood Faculty member, at least two Lower School Faculty members, and one High School Faculty member. The Committee Chair is chosen by the College and must be a College member.

Decision Making: Decision making will be done by consensus within the group according to the School Governance model. Minor changes to mandated areas of oversight may be made within the CSC and reported to the College Chair. Significant changes should be recommended by the CSC to the faculty of the school at all three levels. Major changes to the curriculum of the school (such as adding or removing instructional areas) should be recommended to the College. Communication between the CSC and the three levels of faculty will be carried by the representatives in the committee from each level.

Meetings: The CSC will meet at least once every two weeks throughout the school year.

Committee Governance Status: The CSC Committee is a committee of the College. This means that the CSC Chair will attend the Pedagogical Integration Team (PIT) meeting once a month and give regular updates in the College on a schedule determined by the College Chair.
