Back to School

River and High Ropes Trips

Grades 9 and 12 will be buddied up and travel down the Huron River rapids from Argo Park Livery to Gallup Park Livery and then bussed back to the High School. This is a fun way for the 9th grade to be welcomed into the High School and connect with our 12th graders.

Grades 10 and 11 will be bussed to the University of Michigan's Adventure Leadership program where they will participate in high ropes team building exercises.

Both groups will have lunch on site so please pack a lunch that travels easily!

TIME

11:30am - 3:10pm

DATE
