

2022 - 23 College Nights

Throughout the school year, Sian Owen-Cruise will be holding monthly College Nights which will focus on different aspects of the college application process. Each evening is designed to answer questions and to support parents and students. The meetings are open to all, although probably most useful to the grade listed with each topic.

Each evening will be one hour of presentation/discussion with time for questions afterwards. Meetings will be held at the High School campus starting at 7pm. Parents and students are both welcome.

Month	Date	Target Audience	Topic
