Dear Parents of Student Drivers,

In high school, most students are either preparing to get their license or already have their license. If your student is a licensed driver and plans to drive to school and park on school property, we must have a **Student Driver Permission Form** – along with a copy of the student's license and car insurance – on file to ensure student safety.

This form only needs to be filled out once during their high school career unless there is a change in the vehicle, the license type or insurance carrier, at which point the form would need to be renewed.

The Student Driver Permission Form is available from the front office. The student and parent must complete and sign the form then return the form to the office along with a copy of the car insurance and the student's driver's license.

Thank you so much.
