

Internship Requirements

Rudolf Steiner High School

- You are to attend each of the days you are currently scheduled. If you are unable to because of illness, a change at your job site, or some other reason please email Ms. Ann Brennan that morning to inform her (use abrennan@steinerschool.org).
- You are to keep a daily log of your activities, and your reaction to the work of the day (did you enjoy it, was it challenging etc.) Each journal entry should be at least a paragraph in length and you are responsible for handing in at least 10 entries on June 16.
- You will be making a one-two minute presentation to the school at the final assembly – think about what you want to share with the younger students.
- You will be visited by a coordinator or teacher during your eight days. You have been told which teacher will visit you and that teacher has the contact information that you shared. Please check your email and phone and respond promptly when contacted by your teacher to arrange your visit.
- Please work with your job supervisor to arrange the visit from your teacher once you have spoken with the teacher about his or her availability.
- If you, or your supervisor, have any questions or concerns please contact Ms. Ann Brennan
