## **SURVEY TRIP 2019-STUDENT CONTRACT**

I understand that the Survey Trip is a school trip and that all school rules apply, and that additional rules pertaining to the camp will also apply. I understand my phone will be collected at the arrival at camp and will be returned when we depart. I agree not to bring other electronic equipment such as video games, video players, and computers, and to comply with the guidelines for the use of iPods.

I agree to bring good will to the survey work, the cooking and cleaning duties, and all other activities. This means: being on time, not complaining, not slacking off, and having fun.

I agree to be polite and respectful to the teachers, chaperones and representatives of the camp, and to comply with their instructions.

I agree to comply with the rules and guidelines established for the camp, including the curfew and quiet hours and to let others sleep and/or rest when they wish to.

I understand that boys may not enter girls' cabins and vice versa.

I agree to be respectful to my classmates, inclusive in my interactions, and to refrain from any exclusive, intimate/sexual behavior.

I agree to not bring or use any illegal substance (tobacco, electronic vapor devices, alcohol, and/or drugs). I recognize that doing so would result in my being sent home with no credit for the block, would jeopardize my future at the school, and would jeopardize the future of all high school trips.

I also understand that if I aid any person in violating these expectations, including any concealment of their behavior, I share responsibility for the behavior and will be sent home along with the student who engaged in the inappropriate activity.
