Food This year the food will be supplied by the camp staff and our students will help with the preparation and the cleanup.

Campsite The camp is rustic. Accommodations are enclosed cabins with mosquito netting. There is no heat and no laundry facilities. There are, however, hot showers!

Weather Be prepared for anything. The weather could be very cold, even frosty at night. Remember, there is NO HEAT; you are essentially outside all the time. Layering works best and it is important to bring rain gear and a second pair of shoes.

Work Students will be working on the survey projects from 9am to 1pm daily. There will be abundant free time for other activities such as hiking, swimming (supervised by a lifeguard), enjoying time with classmates, bonfires, etc.

Supplies Please see the attached supplies list. This is a camping trip; fashion statements are unnecessary. However, you are encouraged to bring musical instruments!

Chaperones Katie Andrews, Yoni Paz, Noelle Frerichs, Calisa Tucker, and Rob Benedict will accompany the class as chaperones.

I look forward to a successful and enjoyable trip. Please call or email me with any questions.
